

Give Charitable HOLIDAY GIFTS this year!

What do you give the person who has everything? Wrap up a gift that will have impact. Family and friends will be touched to know that the “alternative gift” they have received will change lives far and near.

INTERNATIONAL GIFT

This holiday season, we invite you to make a difference in the lives of students at the **Sigona Presbyterian Academy in Kikuyu, Kenya.**

For over 20 years, DCPC’s global mission partners at Sigona Presbyterian Church in Kikuyu, Kenya have orchestrated the educational and nutritional program at SPA—from providing hot meals and class instruction to uniforms and supplies.

150 children are enrolled in the academy with over 50% of those students in need of financial aid. Directors at the school carefully balance income (from tuition and contributions) with the

need to pay school staff an adequate wage, purchase necessary educational supplies, and provide food for the children (many from families that are not food secure.)

A new 3-story addition to the school will upgrade from open fire cooking to a gas cooktop. A meeting room on the second floor and new classrooms on the third floor will expand programming for the school and the church.

Your gift will help students in Kenya learn and grow in Christ.

WESTERN NC GIFT

In the wake of Hurricane Helene, needs in Western North Carolina will continue for months and years. You can support *Western North Carolina's* journey to recovery with a donation that will provide relief to individuals and families, some who are displaced by the hurricane, to meet essential needs such as food, water, and gasoline. From chainsaws and sheetrock, to lumber and new appliances, there is a wide variety of items needed to rebuild. Supplies to help in cleaning, such as buckets, mops and other items are also in high demand.

The Presbytery of Western North Carolina (PWNC) Hurricane Relief fund will help people with the unmet needs

who were affected by hurricane damage. This fund is used for emergency supplies, and also to help assist with the long-term efforts to clean and restore buildings and property.

The Presbytery of Western North Carolina has been assisting local residents for weeks and will continue to do so for the foreseeable future. Making a hurricane relief gift in someone’s honor will make a difference in the lives of our brothers and sisters in Christ who are living, working and rebuilding in Western North Carolina.

Your gift will help the people of Western North Carolina rebuild their lives, homes and businesses following the devastating hurricane.
