

"Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."

Matthew is recounting the Sermon on the Mount, where Jesus taught principles that lead to happiness. He reminds us that everyone is called to share the light of the Spirit with the people around them.

DCPC's Annual Day of Service engages members of our community to impact those around us.

We share love, do good in the community, and enjoy fellowship with friends, family, and others from our church community. It's a true multi-generational activity, drawing children, youth, and adults of all ages from our church and the community at large. Prospective members get to spend time with active members, and it's a terrific way to try out volunteering at a local organization in which you may be interested.

This year, on Saturday, November 2, 2024, there were opportunities to share our gifts and energy at more than **20** agencies and organizations throughout the Lake Norman region!

After an initial gathering for morning drinks and light snacks, we shared a brief worship service and a prayer before departing in car pools to our various destinations. Childcare was offered at the Congregation House for the youngest of us.

More than **200** musicians, singers, gardeners, landscapers, painters, carpenters, library assistants, school classroom organizers, cleaners, cooks, crafters, food bank sorters all worked for approximately **3** hours, and we then met back at the Congregation House for a festive lunch. A great time was had by all!
