God's Love in ACTION 

DCPC Stephen Ministers are Here for You

We are all living in a very different world these days. We find ourselves in a thicket of problems: post-pandemic issues, financial struggles, job loss, increased parental responsibility. Our surroundings no longer look familiar post-Covid. Our emotional and spiritual landmarks are blurred. There is a path to help you move forward through these times.

Sometimes, listening is what we truly need to help process our range of emotions. Fully trained Stephen Ministers at DCPC are ready to offer Christ-centered caring. We cannot fix your problems, but we can provide tangible evidence of God's love through caring. Strict confidentiality in a one-on-one relationship can give you a place to talk and be heard.

If you are in need of a Stephen minister, please visit DCPC.org and click on the links to Stephen Ministry, speak to one of our DCPC pastors (704-892-5641) or call Tammy Proffit, Stephen Leader, at (704) 905-8423.
